Experience

Product Designer, Gumroad

Jul 2021 - Nov 2022 | Freelance | Remote

My main role was **crafting user-centric features** and optimizing the overall user experience.

Product Designer, Beezy

June 2020 - August 2021 | Full-time | Remote

My role included **establishing a new Design System**, designing new features, optimising design workflows, managing Sketch to Figma migrations, creating animations, crafting branding proposals, and emphasising accessibility in design.

Product Designer, Liferay

October 2019 - June 2020 | Full-time | Madrid, Spain

My responsibilities revolved around **enhancing the Lexicon Design System**: component design, icon creation, formulating design guidelines for patterns and components, and ensuring the Design System site remained consistently updated with documentation.

Montessori Teacher, Manor Montessori Ltd

November 2017 - March 2018 | Part-time | Dublin, Ireland

I served as a Montessori and Spanish teacher.

Bilingual Primary Teacher, Europa International School

September 2015 - August 2016 | Full-time | Sevilla, Spain

I worked as a bilingual teacher in subjects such as English, Mathematics, Social Science and Natural Science.

Foreign Language Teacher, GlobalHome Language Centre

October 2016 - November 2016 | Part-time | Sevilla, Spain

September 2013 - July 2015 | Full-time | Sevilla, Spain

I served as an English teacher, instructing a wide range of age groups from babies to adults.
